# Your guide to Liverpool ONE

## Liverpool ONE fascinating facts...

**1** There are over 200 trees and shrubs in Liverpool ONE. The trees were selected in a Bavarian nursery in Germany in 2004, before coming to Liverpool in 2007/8.

**2** Chavasse Park is named after World War One hero, Captain Noel Chavasse, one of only three people awarded a double Victoria Cross.

**3** Ten old buildings have been refurbished and re-used in Liverpool ONE; some even had trees growing out of their roofs.

**4** Liverpool ONE is built in various materials. Some have historical significance; sandstone, limestone, terracotta and coloured bricks, used in Liverpool's Georgian, Victorian and Edwardian buildings.

**5** Liverpoolians have named parts of Liverpool ONE themselves, for example the Bling Bling building, the Zig Zag and the Sugar House Steps.

**6** Liverpool ONE's thirty-six buildings have been designed by twenty-six firms of architects, some of national and international renown. Local architects, Brock Carmichael, have collaborated with world famous Cesar Pelli who have designed some of the tallest buildings in the world.
