

Supported Shopping Scheme

Do you have difficulty when shopping for clothes and personal items? We are running a **free** scheme to give personal support for the visually impaired when shopping in the city centre. The scheme provides a personal shopper to give you the support and advice you may need when selecting the correct size and colour of clothes or shopping for personal items. Once registered with Henshaws Society for the Blind, we operate this free service on a booking system only. If you are interested, phone Linda or Debby at the resource centre on **0151 227 1226** for more details.

Please note, the shopping sessions are for a 2.5 hour period on and do not cater for grocery shopping. If there is a high demand, it may take a little time before we can accommodate you.
