

## Liverpool ONE Christmas Choirs Code Of Practice

Please note the following details for your performance. All groups must agree to abide by this Code of Practice.

Please follow the latest Liverpool ONE and government regulations and guidance on COVID-19, in particular:

- Government advice on how to stay safe and help preventing the spread of Coronavirus <https://www.gov.uk/guidance/covid-19-coronavirus-restrictions-what-you-can-and-cannot-do>
- Government advice on Events and attractions <https://www.gov.uk/guidance/working-safely-during-covid-19/events-and-attractions>
- You must not visit or perform at Liverpool ONE if anyone in your group has COVID-19 symptoms, a positive test, has been asked to isolate by NHS Track and Trace.
- Where possible, try and maintain a safe distance between performers and audience. All performance locations are marked with floor lines to indicate the performance area.
- You should keep the contact details for all the participants in case they are required for the NHS Track and Trace programme.
- Please set the volume of the performance at a suitable level to allow the audience to hear each other and speak at a normal conversational level without raising their voices when they are next to the performance space whether standing to watch or passing. This is due to the higher risk of droplet and aerosol transmission from raised voices.
- We cannot provide changing rooms so the performers should arrive dressed and ready to perform. The public toilets on Wall Street are open, for toilet use not changing.
- We cannot provide any bag or equipment storage so please ensure participants bring minimal belongings and keep any valuables close to them.
- Facemasks are no longer mandatory, but if you're visiting our shops and restaurants some retailers might encourage you to use them.
- Liverpool ONE may withdraw the availability of performance space at any time based on government advice, regulations or further lockdown.

- In the rare event of a firearms or weapons attack, follow the Run, Hide, Tell rules:
  - RUN to a place of safety. This is a far better option than to surrender or negotiate. If there's nowhere to go, then...
  - HIDE It's better to hide than to confront. Remember to turn your phone to silent and turn off vibrate. Barricade yourself in if you can. Then finally and only when it is safe to do so...
  - TELL the police by calling 999

## RUN HIDE TELL

At the moment, the issue of terrorist attacks is regularly in the news. But it's been on our agenda for much longer.

The police and security service have been working constantly to foil terrorist attacks for years, not months.

But we are not complacent about keeping you safe.

Due to events in the UK and abroad, people are understandably concerned about a firearms or weapons attack. These attacks are very rare but in the event of such an attack, it helps to be prepared.

Remember, attacks of this nature are still very rare in the UK.

So stay safe, and just remember the words:

**RUN. HIDE. TELL.**

To watch the film, visit [gov.uk/ACT](http://gov.uk/ACT)

Information is vital. If you see or hear something that could be terrorist related, trust your instincts and call the confidential Anti-Terrorist hotline on **0800 789 321**.

Our specially trained officers will take it from there.

Your call could save lives.

Always in an emergency, call **999**.
